

OUTDOOR RECREATION YOUTH DAY

Dear Friend,

On September 7th, 2019, 757 kids from Barry and surrounding counties, along with their parents, attended the sixth annual Barry County Outdoor Recreation Youth Day at Historic Chariton Park. Thanks to generous community donations, the event continues to be a huge success!

A love for the outdoors is sparked in the hearts of children of all ages as they learn from the experts and try their hand at dozens of activities, and we are growing more each year! Kids were thrilled to see sporting dogs locate birds, pet the fur of a black bear, learn about forestry, kayak, shoot an arrow or a BB gun for the first time, and much more.

Our generous volunteers give their time along with providing shooting ranges, bows, arrows, fishing rods, dip nets, binoculars, and campfires, so that they could have a real experience in the outdoors.

The Barry County Outdoor Recreation Youth Day organizers are in the process of planning this year's event for September 12th, 2020. We kindly ask that you consider donating to the event this year.

Sincerely,

**Sarah Nelson
